DETAILED ACTION

Allowable Subject Matter

Claim 7-10, 12-15, 17-20 allowed.

The following is an examiner's statement of reasons for allowance:

The independent claims 7 and 15 identify uniquely distinct feature "composing the selected menu in decompressed space from the selected background data and the decompressed video data, wherein the data for creating the background image is selected from the group of data formats consisting of Joint picture Experts Group, Graphic Interchange File, or Bitmap data formats and is selectively extracted from one of a plurality of available sources, the plurality of available sources including the recorded digital versatile disk"

The closest prior art Kikuchi et al (Patent No US 6,553,180) and Temple et al (Pub No 2003/0198463)), either singularly or in combination, fail to anticipate or render the above underlined limitation obvious.

.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
